Anthony King
Immediate Past President &
NAHSE National Nominating Committee Chair

Dear Anthony:

It has been an honor to serve as NAHSE's National Treasurer for the past two years. During that time, we have made major progress in the area of financial accountability and financial discipline.

I established certain goals that I wanted to accomplish during my tenure as treasurer. Some of these goals are as follows:

1. Established a standard of fiscal accountability with all areas of financial operations.
2. Develop an effective budget for our operations that would be realistic and attainable.
3. Create new revenue stream through implementation of outside revenue sources.
4. Implement NAHSE's Endowment Fund with our President's approval. The fund was started in the 50th year of our existence.
5. Assist in the coordination and implementation of a single banking platform for all NAHSE local chapters. Wells Fargo administers the banking system for NAHSE.

For all of the goals listed above, we were successful in achieving four out of the five. Goal number 3 was not really achieved and it will flow into next year for completion.

As we move forward into NAHSE's future, we must continue our efforts in improving. I understand this from the ground floor, because I have been an active member of NAHSE for over 30 years. During these years, I have served as President of the New England chapter and supported the national office through my personal financial contributions as well as through our local chapter contributions to the annual conferences.

I understand the commitment of time and resources that is needed to be fully engaged and effective as a national officer of NAHSE. Truly, I can say that I am prepared to make that commitment without hesitation. Also, as an entrepreneur, I am flexible in my workload and able to successfully handle NAHSE business responsibilities. In addition, I am able to cover all of my travel costs while performing my duties in regard to NAHSE.

Please accept this letter as my formal declaration to run for treasurer in NAHSE's upcoming election of national officers.

Sincerely,

Al Webb
