Anthony King  
Immediate Past President &  
NAHSE National Nominating Committee Chair

Dear Anthony:

It is with great pleasure that I provide a letter of support for the nomination of Al Webb to the office of National Treasurer for the National Association of Health Services Executives (NAHSE).

For nearly 30 years, Al has shown himself to be a dedicated and loyal NAHSE member and servant. In addition to being the current National Treasurer, Al was a Charter member and President of the NE Chapter (2002 – 2006), served as “First Gentleman” for the Patricia Golden-Webb Administration (2002 – 2008), and Co-founded and chaired the first annual NAHSE Golf Outing (2003). Al is a skilled finance and accounting professional, offering great attention to detail. He is functionally curious, asking the right questions of the right people at the right time to ensure that funds are well organized, appropriately expended and properly protected.

As a former National President, I know the importance of having a strong Treasurer in the Executive Cabinet. Further, as NAHSE undergoes transformational change, I am certain that the continuity Al will provide by serving a second term as Treasurer for the Association will serve us very well. I am thankful, as a long-time NAHSE member and supporter, that he has accepted the responsibility to again offer himself of service in this way.

Again, Anthony, I support Al Webb in his bid to serve as NAHSE’s National Treasurer; I look forward to another 2 years of his accomplishments in this role.

Sincerely,

DLE
