Dear Student Member:

Enclosed please find the National Association of Health Services Executives (NAHSE) scholarship application. Scholarships are valued at \$3,000 - \$5,000 and have been developed by NAHSE to support and encourage African American students to pursue a career in healthcare management.

The following scholarships are awarded to graduate students attending accredited institutions to help defer tuition costs for the 2022-2023 academic year.

**The Haynes Rice Award:** The Haynes Rice Award is bestowed by NAHSE to outstanding *graduate students* who are striving to become future leaders in healthcare management and NAHSE.

**The Florence Gaynor Award:** The Florence Gaynor Award was established to recognize outstanding achievements among *female graduate students* who are striving to become future leaders in healthcare management and NAHSE.

**The Ellis Bonner Award:** The Ellis Bonner Award is a special category to recognize the distinguished leadership and academic achievement among *non-traditional graduate students* who are striving to become future leaders in healthcare management and NAHSE.

**We Believe in You Awards:** The We Believe in You Awards are for exceptional *graduate students* who are striving to become future leaders in healthcare management and NAHSE.

We realize that finances are often a barrier to completing academic programs; therefore, we hope students who are in financial need will be encouraged to apply for a scholarship. Students who wish to apply must e-mail their completed application and request acknowledgment from the Committee by **June 30<sup>th</sup>, 2022** to [NAHSEawards@gmail.com](mailto:NAHSEawards@gmail.com).

The application must include the following:

- Cover Letter
- Application Portfolio Checklist
- Scholarship Application Form
- Personal Statement
- College Transcripts
- Current Resume
- Three (3) Letters of Recommendation
- Personal Photo (3 x 5)
- NAHSE Student Membership Application and 2022 dues (All applicants must be a NAHSE member.)

Please note that incomplete applications will not be considered. The Committee will review all applications and ask finalists to record a two-minute video of themselves. The enclosed materials are for your use and dispersal to other interested students. If you need additional information, please contact [NAHSEawards@gmail.com](mailto:NAHSEawards@gmail.com). Susan Burroughs & Maha Taylor
